TO WHOM IT MAY CONCERN:

I have heard of the methods of Mrs. Sara Devora Chrysler of Manchester, England, designed to inculcate into schoolchildren a sensitivity to the spiritual aspects of their selves and to generate within them an enthusiasm to serve Hashem and to improve their character traits.

I understand that many of these methods have been already put into practice with much success.

Mrs. Chrysler's efforts have much merit and deserve support and promotion. This is especially true at a time when the thrust of most of education in our times is to inculcate the opposite notions into children, that they have no *neshamos* and that spiritual growth is not a goal of life.

My blessings go out that Mrs. Chrysler's efforts hasten the time when *Vechol bonayich limudey Hashem* – "And all of your children shall be learned of G-d."

With best wishes,

Rabbi Aharon Feldman
